TRAVEL FOR THE WORKING JET SET

Trump SoHo Pool

Crosby Street Hotel

Trump SoHo Spa

Downtown By (Week) Day

School may be out, but work is in full session this **SUMMER**. Welcome to adulthood. If you find yourself obsessively reminiscing about pool rafts and tan lines on a particularly blue-skied, humidity-free afternoon, it's time to make like Ferris and phone it in. That's right, our guide to an epic **GAME OF HOOKY** is back with the **SOHO** Summer Edition. We'll leave professional excuses up to your imagination, as we're sure you've had plenty of time to dream something up while pretending to work. This week, we're headed to a 'hood whose sea of weekend tourists make the Hamptons a nonnegotiable option. But during the week, it's a great place to have a tranquil, quintessentially New York experience.

Pools are hard to come by in the concrete jungle, especially choice outdoor pools. But an **OUTDOOR POOL** and a hamam? Trump SoHo has got your back. Check in for a balancing diamond **MASSAGE** (only in a Trump venue do diamonds "balance") before kicking it poolside. Afterwards, be your own chef with a class at the International Culinary Center. Top that off with a **GLASS OF BUBBLY** at the Crosby Street Hotel library. Bronzed and buzzed, you'll be ready to do some damage in the shops, from SoHo to Nolita, where you're almost guaranteed a celeb sighting. After all, who else is **SHOPPING** in the middle of the day?

Summer moves pretty fast. If you don't get out of your office every once in a while, you could miss it.
