Fourth of July Picnic

Galavante Confidential: Insider Tips and the Latest in Travel News

## Happy Birthday, America

Oh, say can you see... the spectacular fireworks we've curated for thee. The Fourth of **JULY** will always hold a special place in our hearts. Not only is it a socially acceptable opportunity to consume copious amounts of **HOT DOGS AND BEER**, but it's also one of the rare occasions to see seriously kick-ass **FIREWORKS**. There's really no better way to turn a massive crowd of intoxicated adults into delighted children (at heart) than with exploding pyrotechnics.

Every town across America has its own way of doing it up on the 4th, but we've culled the best of the best, just for you. From the birthplace of the **REVOLUTION** to a state that didn't actually start celebrating our independence until 25 years after the fact, read on for the top **FESTIVITIES** from sea to shining sea. Happy Birthday, **AMERICA**.
