## More of a Good Thing

Your insider First Look at the newest properties around the world.

When we think of **DUBAI**, a few things come to mind. Larger than life. Vegas of the Middle East. World-record breaker. Some argue that it's a little too **OVER THE TOP**. To which we reply: Huh? Because come on – it's Dubai. You go here to go big. So when we heard about the opening of The Oberoi, an imposing glass-façade hotel with stunning **SKYLINE VIEWS** and a 24-hour spa, we thought, bring it on.

The Oberoi is just minutes from downtown, so don't worry – you won't miss the chance to toboggan down an indoor ski slope or peruse the gilded stuff at the Gold Souk. The hotel's **LUXURY** rooms and suites have floor-to-ceiling windows, pops of crimson, and oil paintings by Indian artist Mrinmoy Barua – a touch that highlights the Indian company's roots. They also give a shout-out to the homeland with restaurant Ananta, which serves authentic Northern Indian cuisine and features a show kitchen with traditional tandoors. If curry's not your thing, there's the international Nine7One and the pan-Asian Umai, as well. But, the pièce de résistance, the moment you've all been waiting for, is the **24-HOUR SPA**. If a 2am massage isn't the pinnacle of luxury, we don't know what is.

If it's possible to up the ante in the land of opulence and **FIVE-STAR SERVICE**, well, consider it done.
