Smooth Sailing

Everyone's heard of Van Halen's brown M&M clause. And, more recently, there's Choupette, Karl Lagerfeld's white-whiskered companion, with her private chauffeur and paté served exclusively on Goyard dishes. It all sounds a little high maintenance, but you get it. Sometimes you just like things **YOUR WAY**. It takes only one Thom Browne sleeve hemmed an eighth of an inch too short to discover your standards for **PRECISION**. (We'll stop there. It's too soon.)

In any case, we've found something you're sure to enjoy: the just-launched **TAILORED RETREATS**, a series of customized cruises aboard Ecce Navigo, a 111-foot, five-cabin, luxury wooden yacht. Here, you can **CUSTOM DESIGN** your own Mediterranean journey – from bow to stern – along Turkey's Lycian coast.

In addition to the always-on-offer **PRIVATE CHARTERS**, three new retreats include Corporate Escape, Family Holiday, and Yoga and Massage, where you **DE-STRESS** with an on-board yoga instructor and former Claridge's masseuse. Rest assured that your preferences for medium pressure and peppermint over lavender will prevail without prompting. Add to that whatever dietary trend you're experimenting with at the moment, and watersports and land excursions of your choosing, and you can rest easy that it'll be smooth sailing. Just the way you like it.
