Four Seasons or Bust

You golfed a 67 on a par 72 at [PEBBLE BEACH](#). You have a standing “friends and family” reservation at the impossible-to-book Next Restaurant. You once closed a deal in [DUBAI](#), flew to London to close another, and made it home for supper. You’ve always prided yourself on being one step ahead. Then one day, everything you knew about life came crashing down around you. Apparently, the Four Seasons Around the World Tours by [PRIVATE JET](#) had already sold out.

But another year, another chance to take the world by storm, right? The [FOUR SEASONS](#) has just released three new itineraries for 2014, so you can hit up [TEN DESTINATIONS](#) (from Bora Bora to Bali, and Seattle to the Serengeti) on four continents in 23 days, accompanied by a personal Four Seasons concierge to cater to your every whim. Like scaling Sydney’s Harbour Bridge to view the city from 440 feet above it, or learning the art of preparing panang curry in Chiang Mai. And did we mention that your mode of transport is a [LUXURY BOEING 757](#), complete with private chef? Yeah, there’s that, too.

There are only 56 spots, but hey, you ran the New York City Marathon in 2 hours, 9 minutes, and 7 seconds. A little competition has never gotten in the way of your [GOOD TIME](#).
